

Catalina Cruisers

Are you tired of loney sailing nights?

Would you like to compare your boat and seamanship skills against other Catalinas but you don't want to risk snapping your rig or damaging the admiral's fine china?

Then Come out and join us on Thursday nights for "Cruiser Racing"

A gentler form of competition, still challanging and fun but with none of the costs or close calls associated with "Hard Core" racing

If there is enough interest in this program The Clinton River Catalina Association (CRCA) will sponsor a *Cruiser Racing* series open to all CATALINA sailboats in the area. Membership in the CRCA will NOT be required to participate in this event., the series will begin on Thursday August 12, 2010 and continue every Thursday until September 9, 2010.
